LAND REGISTRY ACT

WHEREAS by Order in Council No. 2758, approved November 2nd, 1961, in accordance with the provisions of the *Land Act*, a right-of-way was granted to Western Pacific Products & Crude Oil Pipelines Ltd., a company incorporated under the laws of British Columbia (hereinafter called the "Company") over certain Crown lands for the purpose of constructing and operating a pipe-line in connection with the Company's under-

taking (between Savona and Kamloops), which lands are more particularly described as the Crown lands shown outlined in red on Plans O-W-D-4650-5-R6, O-W-D-4700-1-R9, O-W-D-4700-2-R6, O-W-D-4700-3-R4, and O-W-D-4700-4-R6, on file in the Department of Lands and Forests:

And whereas the Company has submitted that it would be expedient and in the interests of all concerned if the title conferred as aforesaid could be registered under the provisions of the *Land Registry Act*:

And whereas the *Land Registry Act* permits registration of these estates only where the title of Her Majesty appears in the register, and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations permitting and governing the registration of these estates as enacted by section 258 (2) of the *Land Registry Act*:

And whereas the grant has been issued on the basis that when and as soon as the Company shall have laid the initial pipe in the exercise of the authority granted to it by the said Order in Council, the rights, licences, liberties, privileges, and rights-of-way granted by the said Order in Council shall thereupon and thereafter be confined and restricted as provided in the said Order in Council:

Therefore, His Honour the Lieutenant-Governor in Council has been pleased to order that, under the provisions of the *Land Registry Act* and all other powers thereunto enabling, the following regulations be made:—

1. A Crown grant of the right-of-way in favour of the Company shall be transmitted to the proper Land Registry Office, and when received the Registrar shall enter Her Majesty as the owner of the lands described in the Crown grant in the register, and upon application being made for the registration of the title of the Company to the right-of-way, and upon compliance with the provisions of the *Land Registry Act* and of these regulations in so far as they are applicable, shall register the title by endorsing a memorandum thereof on the register; provided that the boundaries of the land described in the Crown grant and in the register shall be subject to amendment to conform with the boundaries as defined by the final plan, as under Regulation 3, and in accordance with the procedure prescribed under Regulation 4.

2. When and as soon as the Company has laid its initial pipe, the right-of-way shall be reduced in width as provided in the said Order in Council.

3. Within eighteen months after the completion of the construction by the Company of its initial pipe, a final plan

of the right-of-way shall be prepared by the Company in accordance with the regulations which the Surveyor-General has issued or may issue, and copies of such plan shall be deposited with the Surveyor-General as he may require. The Surveyor-General shall, after approval, transmit the necessary approved copies of the plan to the proper Land Registry Office for deposit.

4. When the final plan has been deposited in the proper Land Registry Office, the Registrar shall amend the register which shows Her Majesty's title to the land comprising the right-of-way and the title of the Company by striking out the description of the lands therein and substituting therefor the description of the lands according to the final plan, and shall endorse a note of the Order in Council on the register; the latter description shall limit and govern the boundaries of the right-of-way and shall relate back to and have the same force and effect as if that description were contained in the original Crown grant of the right-of-way and registered in the register.

Acting Attorney-General.
